## **Grant Announcement Summary**

**Grant Title:** HS Firefighting Foam for Crude Oil Response 2015

**Description:** This funding will allow Milwaukee County to purchase and store firefighting foam for a crude oil response involving railroad bulk tanker car derailment, motor carrier transportation, or pipeline incident, in a densely populated urban area of the state.

**Opportunity Category:** Limited Eligibility

**Important Dates:**

Application Due Date: September 18, 2015

Project Start Date: October 1, 2015

Project End Date: May 31, 2016

**Anticipated Funding Amount:** The dollar amount available under this funding opportunity is \$50,000 as directed by the Homeland Security Funding Advisory Committee.

**Match/Cost Sharing Requirement:** None

**Eligibility:** Only Milwaukee County Emergency Management is eligible to apply.

**DUNS Number:** The federal government now requires a DUNS number as part of the grant application to keep track of how federal grant money is awarded and dispersed. If your organization needs to obtain a DUNS number, go to <http://fedgov.dnb.com/webform>. You can also search this site if you cannot find your agency's number. Under normal circumstances, a new account can be created in 24-72 hours. The federal government has published DUNS Frequently Asked Questions at <http://fedgov.dnb.com/webform/displayFAQPage.do>. Check with your agency's financial office before registering for a DUNS number - it is likely your agency already has one.

**WEM cannot award grant funds until an active DUNS number is provided.**

**Eligible Expenses:** Funding may be used for equipment expenses.

All expenses must be new and cannot replace existing state or local government funding. Substitution of existing funds with federal grants (supplanting) will be the subject of monitoring and audit. Violations may result in a range of penalties, including suspension of current and future funds under this program, suspension or debarment from federal grants, repayment of monies provided under a grant, and civil and/or criminal penalties.

# HS Firefighting Foam for Crude Oil Response

## Program Description

WEM will provide grant funds to purchase firefighting foam for the response to a crude oil event. Emergency responders have struggled to address the increased transportation of crude oil to and from refineries using various methods of transportation such as; railroads, motor carrier, and pipeline.

Various rail lines run through Wisconsin that currently carry crude oil in densely populated urban areas. Due to unknown rail schedules and loads fire response agencies need the capability to respond to a potential crude oil fire.

## Submit Applications Using Egrants

Applications must be submitted through the Egrants online grants management system. If you have never used Egrants before, you will need to register for access to the system. To register online, go to <http://register.wisconsin.gov/accountmanagement/> and complete the 'self registration' process

Authorization to access Egrants can take several days depending on registration activity. The WEM help desk is open Monday-Friday 7:30am-4pm if you need assistance. (Please note: If you register outside of these hours, access may not be approved until the next business day.) Once your Egrants access has been approved, you may begin your online grant application.

An Egrants System User Guide is posted on the WEM website:

<https://egranis.emergencymanagement.wi.gov/egmis/EgrantsExternalUserGuide9-12-2014WEM.pdf>.

## Application Components

Through Egrants, you will provide WEM with detailed information about your project that will be used to make a funding decision. Questions on what is expected in each section can be directed to Shannon Ladwig at (608) 242-3231 or at [shannon.ladwig@wisconsin.gov](mailto:shannon.ladwig@wisconsin.gov)

### 1. Main Summary

This page asks for information about your agency and the individuals responsible for the application and grant award. There are many required fields on this page so if you encounter problems, please check online help by clicking the floating HELP button. Please note: When identifying individuals involved in this grant, you may not list the same person as project director and financial officer. The financial officer is the individual responsible for financial activities in your organization while the project director will be overseeing project operations.

In the Brief Project Description text box, please describe your project in 150 words or less. A suggested format is included for your convenience:

“Funds will be used by the (your agency name and others involved in the project) to (describe what funds will be used for and who will be involved). The (what -

equipment, training, project, pilot, etc.) will (describe the specific goals you hope to achieve – how will the project or equipment improve safety in Wisconsin?) [If appropriate, add which area(s) of the state will benefit]”

Responses to this section will be used on the WEM website, cited in WEM reports and could be mentioned in press releases. Plain language that clearly describes the intent of the project is most effective.

## **2. Approval Checklist**

Answer Yes, No, or N/A (not applicable) to each question.

## **3. Performance Measures**

Please open this section and change the page status to Complete; then SAVE the page. Performance Measures will be identified and collected during post-award reporting rather than through this funding application process.

## **4. Budget Detail**

Complete a project budget using the following categories. For each category used, enter a justification that describes how the items in that category will be used during the course of the grant period. It is important that you include specific details for each budget line item, including cost calculations.

Equipment: Homeland Security equipment grants require that all equipment (regardless the cost) be entered in this category so that applicants can select from authorized equipment lists. Equipment is defined as items used for prevention, emergency response, and recovery operations

## **5. Needs Description**

Describe the current gap identified that this grant funding will solve; include how this capability will enhance a crude oil response, any regional challenges that will be addressed, and foam storage location. Lastly, explain how this foam will be utilized by a statewide mutual aid request.

## **6. Implementation Plan**

Describe regional planning efforts with state, local agencies and private industry for the implementation of a crude oil foam distribution and rotational plan, as well as a regional railroad plan.

## **7. Required Attachments**

To attach a document to your Egrants application you must type “See Attached” in the text box to enable the document attachment tool.

Please attach the following documents to your application in this section:

- ☐ Crude Oil Foam Distribution Plan
- ☐ Crude Oil Foam Rotational Plan
- ☐ Crude Oil Railroad Plan

Please note, any plan too large to upload into Egrants due to size limitation should be mailed to:

Department of Military Affairs  
2400 Wright Street  
PO Box 7865  
Madison WI 53707-7865  
Attn: Shannon Ladwig

### **Application Review and Award Criteria**

All applications must be submitted on or before the deadline and will be screened for completeness and compliance with the instructions provided in this announcement. WEM staff will review applications to ensure consistency with statewide strategies and make funding recommendations to the Adjutant General. All final grant award decisions will be made by the Adjutant General.

### **Post-Award Special Conditions/Reporting Requirements**

If you are awarded funds under this announcement, you will be required to provide regular progress reports. The schedule for your reports will be included in your grant award materials. At that time, please review all of your grant award special conditions and Egrants reporting requirements. In addition to any special conditions described in your award documents and reporting requirements contained in Egrants, you will need to provide the following:

1. Agencies that accept funding are responsible for all sustainment cost.
2. Equipment shall be maintained and available for use as intended by the grant for the duration of its useful life. Disposal of equipment must follow all applicable state, federal, and local guidelines. The grantee must maintain records of any equipment disposal or transfer of ownership. Any proceeds from the sale of equipment at or near the end of its useful life will be considered program revenue and must be reinvested into eligible homeland security expenses.
